struction contracts were in order. The engineers, representing the town, presented the contracts for the Board to sign with Bay Corporation, contractor for sewer pipe installation, and Mullholland Corporation, contractor for the pumping station. The Tighe & Bond engineers have met with Bay Corp. representatives and representatives of the New Bedford Gas & Edison Light Company, the Telephone Company, the Mattapoisett Water Department, the Highway Department, and said the contractor has agreed to call upon the utilities for help when necessary, to furnish a schedule of construction and has submitted a performance and material bond. They reported that the Bay Corp. which has already moved equipment and pipe into Mattapoisett would start digging on Water Street on January 23rd. Mr. Michalski said that the Mullholland Corp. planned to start the pumping station construction about mid February. Arthur Asher will serve as resident inspector of the Bay Corp. construction and will keep town departments informed as to schedules and street blockage.

Chairman Blasdale extended personal thanks on behalf of the Board of Selectmen to both Mr. Michalski and Mr. Sheridan for their assistance to the Board which he said was deeply appreciated and exceeded the business relationship.

State agencies involved in the grant and had been informed that because of the demand for sewer grant assistance that it would be unfair for the town to request that this extension be made in the system. He was informed that if the town should wish it included that it should pick up the entire cost. He estimated that the 500 feet of pipe would cost $15,000. Selectmen agreed that this proposal should be viewed as a first request for a sewer extension and suggested that Mr. Black prepare an article for the town meeting warrant for town consideration.

ACCEPTANCE OF GOSNOLD & NAUSHON STS.

Strong interest was expressed by residents of Gosnold and Naushon Streets in the proposed article to ask that the town accept these two streets. Eighteen residents appeared and all were in favor. The Planning Board was present to discuss the matter. The Planning Board did not favor town acceptance because the original developer had done this section before the town had

standards to conform to. The roads do not meet these standards as regards to gravel, base, drainage, etc. Chairman of the Board of Selectmen R. William Blasdale said that two main problems have to be solved. He said that the street has a drainage problem and cannot be drained to Park Street because there is not sufficient pitch and the Park Street drain would not be big enough to accept the water. He said that a possible solution was to drain down Naushon Street to an easement across an adjoining development layout of Robert Sherman. Blasdale said the second problem is that Gosnold Street deadends with no turn around. He said that he couldn't think of a solution to that because no room exists for construction of a turn around. Planning Board member Richard Chase suggested that the streets proposed acceptance be the subject of two articles because he said that Gosnold Street would be expensive enough . The Selectmen replied that they did not know whether the estate of the developer would be willing to deed Gosnold Street separately and if that were possible a drainage easement would

still be needed to drain down Gosnold Street.

Ralph Delano, a resident of Hawthorne Street where the drainage water is collecting in the street and freezing, explained the history behind the whole problem. He said that a pond was filled on the development and a brook was cut off causing the water to seek a new course across Hawthorne Street. An attempt to drain under that street was made with a 4" orangeburg pipe, he stated, which promptly collapsed and plugged so that water now flows down Hawthorne Street eventually ending up in the Dexter Mill brook flowing by a different path than it did originally.

In view of the fact that the Pre-Sub Division Control Committee had reported in favor of acceptance of the streets, the Selectmen acted on a motion to place an article in the warrant to seek acceptance of both Gosnold and Naushon Streets and unanimously passed it. Selectmen will ask the highway department to install a barrel of sand on Hawthorne Street where flowing water creates a glare ice problem.

The purpose of this meeting will be to obtain constructive ideas from interested persons of the 3 towns concerning the selection of a new Superintendent of Schools.

FINANCIAL AID FORMS AT OLD COLONY

The Guidance Office at Old Colony Regional Vocational Technical High School announces that parents of college-bound seniors should be aware that Financial Aid Forms are still available in the Guidance Office. If your son or daughter will require financial assistance and has not already secured this form, it should be filled out as soon as possible and mailed before February 15, 1978.

The Financial Aid Form is new this year. It is an attempt to simplify the process by combining several applications into one form. This new form takes the place of the Parents Confidential Statement, the Massachusetts State Scholarship Application, and the Basic Educational Opportunity Grant.

College applications should be well in the process of being filed by now, and Scho-

Rose Kouble analyzed the non-fiction collection Book of Strange and Amazing Facts. Mrs. Rita Dunn presented a paper she had written of special local interest about Nelson Franklin Harriman who was the local agent for American Railway Express and also operated the first store located where Sylvia's Market now stands. The original store was operated by Harriman in the 1920's. Mrs. Anna Bradley charmed and delighted the group with her unforgettable vocal rendition of the humorous ditty "Lydia Pinkham", after which amusing cartoons were shared by the group.

The theme of the next meeting will be Poetry. Each member is requested to bring a favorite poem and personal childhood photos for identification. The meeting will be on February 15 at 9:30 A.M. at the home of Mrs. Joan Jason, 16 Barstow Street. Assistant hostesses will be Mrs. Dorothy Brintnall and Mrs. Dorothy Fox.

MARCH OF DIMES' COIN CANISTER DRIVE

The annual March of Dimes' Coin Canister Drive is underway. The canisters are being delivered to local merchants through the cooperation of Mattapoisett Fire Department and Wareham Police Department.

The Coin Canister Drive is a vital part of the March of Dimes' fund raising campaign. Nickels and dimes add up! Each donation, large or small, will help the March of Dimes in its ongoing fight against the crippling birth defects which affect over 250,000 newborns

RELAX. PLYMOUTH Horizon CAN HANDLE IT.

Economy

Based on EPA estimates, Horizon equipped with manual transmission is rated at 39 mpg, highway, 25 mpg, city. Your actual mileage may differ, depending on how and where you drive, the condition of your car and its optional equipment.

Rain. Snow. Wind

In Horizon you can drive with confidence in all kinds of weather - the front wheels both steer AND drive and, with the weight of the engine over the front wheels, you get good traction - good handling, good control, good stability. Relax.

Long Trips

Four people travel long distances in relaxed comfort. The front wheel drive provides you with good traction and directional stability. Rack and pinion steering is precise and also contributes to directional stability. Anti-sway characteristics in the suspension give good handling and control.

Curves. Bumps. Ruts

There's ample suspension travel to absorb bumps, rubber bushings to cushion them, coil springs to soak up road shocks. Anti-sway bar in the front suspension; glass-belted radials.

Space. Comfort. Luxury

Stretch-out room for legs and knees, in the back as well as the front! Full bucket seat in front individually adjustable. Fold-down rear seat gives an incredible 35.8 cu. ft. cargo area. Wide range of comfort and luxury options, too.

It's Here!

DUFF PLUMBING ANNOUNCES

We have added another truck to our fleet expressly for the Marion, Wareham & Rochester area residents. We have had such an increase in calls that **we have decided to install a direct, toll-free "'Hot Line"** for these customers. We have **our plumber, Chet, who is a local resident** and knows the area well. He will have a well-stocked supply of plumbing needs right at hand.

Are you disappointed to find yourself waiting two days for a plumber, then have him arrive with a helper to carry the tool box, and receive a bill for two men? We pride ourselves on sending one man on service calls.

We take good care of our old customers; it 's new customers we are looking for.

in February. Any person or group interested in learning this emergency method of restoring breathing and heartbeat to accident or heart attack victims may call the Mattapoisett Control Center at 758-2323 to leave their name and telephone number. Officer Robert Souza, who is organizing the February classes, will then contact the interested people to answer questions and arrange the instruction.

The technique is taught on manikins which simulate the lung and heart action of humans. Since seconds and minutes count in emergencies of this sort the person at the scene may be the victim's one hope of survival. The police department has trained its personnel on the manikins and now is ready to extend the knowledge to the general public. There is no charge to learn this potentially life-saving technique.

The Boys' J.V. team was defeated by DY 61-57. Tim O'Connor led the Bulldogs with 13 points.

The Girls' Varsity Basketball team fell to Wareham by the score of 41-38.

The Girls' J.V. team lost a heartbreaker to Wareham 30-29. Guiding the young Bulldog team was Gretchen Hamer scoring 6 points.

Little League Basketball

Monday, the 16th, in the first game an excellent long shot by Gerard Vulgaris gave the Blues a 10-5 advantage over the Whites. With the help of Scott Jepson who scored 10 points, Blue kept their lead to win 23-16.

Orange kept a lead over the Reds in the second game. The third quarter was especially exciting when the Reds were only trailing by a few points and Chris Carvalho displayed one of his superb long shots. The Orange captured the game 32-19 with Tim Quinlan scoring 21 of the 32 point victory.

In the third game Purple was leading Black 12-0 until the last minute of the half when Drew Frazee scored the Black's first basket. The second half proved more exciting and the Purples went on to win 25-14. Dana Didricksen with 10 points and Jan Pothier with 12 were the high scorers.

On Thursday, the 19th, a spectacular long shot by Steve McGonigle of the Reds opened an exciting quarter. At half time Purple had an 8-4 lead despite the fact that they had failed to score in the second quarter. Seconds into the half Dana Didricksen of the

Purples scored followed by a super layup by the Red's Chris Carvalho. Nice ball handling gave Jan Pothier and Didricksen easy Purple baskets. The Purples had pulled way ahead by the final quarter and won 26-6. Didricksen with 12 points was high scorer.

In the second game of the evening it was White vs Gold with Gold's Dave Hubbard opening the game with 2 baskets. It was a close game that was tied 6-6 until the Golds got an edge in the second quarter, but by half time they only had an 11-10 lead. Going into the fourth they were tied again 15-15, but White took the lead in the final minutes of the game and won 19-15. High scorers were "Skip" Harris with 8 for the Whites and Dave Hubbard, 12 points for the Golds.

The final game of the evening was an exciting one with Blue vs Orange. Orange opened the game but at the half were only leading 16-15. Tied at one point the Orange took the lead to go into the fourth 23-17. Excellent long shots by "Buba" MacDonald and Gerard Vulgaris of the Blues in the final minutes weren't quite enough as Orange captured a 27-23 victory.

A THANK YOU TO THE BUS DRIVERS
AND BUS MATRONS

As I was driving down Crystal Spring Road this morning to bring a book to school for my son at Old Hammondtown I found myself thinking of the bus drivers and bus matrons. I have said many a time I would not want to be a bus driver. As I drove on the icy road I realized how grateful I was to have someone else drive my children to and from school.

I just could not imagine driving 50 or 65 children on icy roads, through heavy rain, and hot summer days. As a parent I think we all take the responsibility of a bus driver and bus matron for granted over the years. I found I myself had also done that. At this time I would like to say Thank You and God Bless You to all the bus drivers and bus matrons of Mattapoisett. My own special Thank You and appreciation goes to Nancy Sylvia and Bunny Alves for the many years they have had the responsibility of my 7 children on their bus.

ONE-MAN SHOW - "PERSPECTIVE"

Fairhaven Savings Bank is delighted to present the selected paintings of Severin Haines for the enjoyment of our patrons during the month of January.

Mr. Haines received a Master of Fine Arts degree from Yale University after completing studies for his B.A. degree at the Swain School of Design in New Bedford. He also attended the Skowhegan School of Painting and Sculpture.

He served as Curator of Education at the Tennessee Fine Arts Center in Nashville before returning to teach at his alma mater, the Swain School of Design.

Mr. Haines has mounted one-man exhibitions

in Nashville, Tennessee and the New Bedford area; has participated in group shows in New York, Tennessee and other parts of New England. He is represented in a number of private collections across the country.

Of particular interest for its local flavor is the Harbor & Skyline of New Bedford from the Fairhaven side - unmistakable and good perspective. The grouping of Scenes of West Island - "alive" with summer's wild growth and peacefully "asleep" under a blanket of snow - reflect different moods in a familiar context.

Mr. Haines has also caught the beauty of leafless trees in his view of the stripped Sycamore Trees against a cold blue wintry sky - a remembrance of Tennessee.

ROYAL HERITAGE ON CHANNEL 2

For centuries, the kings and queens of England built castles, palaces, and churches and filled them with incomparable art treasures. ROYAL HERITAGE, a series of nine one-hour programs, is a journey through these private buildings and a celebration of the British Royal Collection, the largest and most valuable private art collection in the world. ROYAL HERITAGE debuts Saturday, January 28, at 7 P.M. on Channel 2.

From Buckingham Palace to Balmoral; from the Coronation Coach to the Royal Yacht, Britannia, to Queen Victoria's railway tram, ROYAL HERITAGE marks the first time the general public has been able to view in close-up so many royal treasures, and the interiors of the private buildings which house them. It also represents the first time so many members of the Royal Family have spoken directly to television viewers and shared their collecting interests. The collection includes da Vincis (almost 1,000 drawings), Rembrandts, Holbeins, Sevres china, Waterford glass, furniture, jewels, a multitude of miniatures (a favorite interest of Queen Victoria), and enough armor to outfit a regiment of princes.

The host/narrator of ROYAL HERITAGE is Sir Huw Wheldon, former director of BBC television. He opens the series with the bounty of the medieval kings, then moves on to the collections of the Tudors, Charles I, the Stuarts, the four Georges, Victoria and Albert, and concludes with the latter years of Victoria's reign and the acquisitions of Edward VII and the House of Windsor. Sir Huw also wrote the narration in collaboration with the eminent British historian, J.H. Plumb.

Originally aired as part of the BBC's contribution to Queen Elizabeth's 1977 Silver Jubilee celebrations, ROYAL HERITAGE received the highest ratings ever recorded in that country for a television art series.

ROYAL HERITAGE is a production of the BBC, produced by Michael Gill. The series is a presentation of WNET/THIRTEEN, New York, and is made possible by a grant from International Flavors & Fragrances, Inc., and The Rosalind P. Walter Foundation.

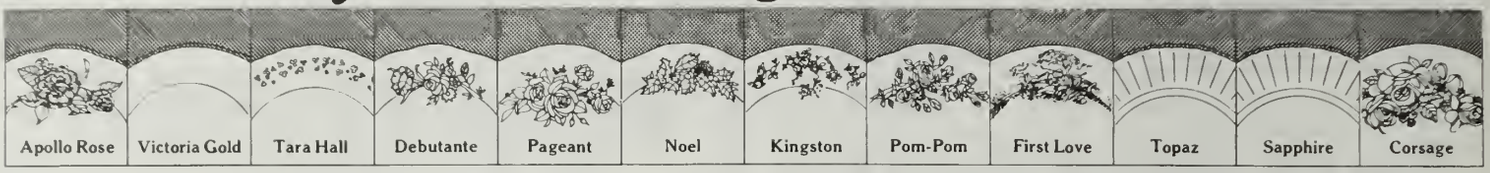
The best way to start an English bone china collection



is to start for free.

It's simple. We'll give you a free Royal Crest bone china cup and saucer with elegant *"Victoria Gold"* pattern just for opening a savings account or NOW account with $25 or more or adding $25 or more to an existing savings or NOW account.

We've also made it simple and economical to complete your collection. For each additional $25 you deposit in your savings or NOW account, you can buy a cup and saucer, cake plate, or coffee stein for just $3.47 plus tax. That's much lower than the retail value of this heirloom-quality china.

Choose from 12 distinctive patterns—each one finely crafted and exquisitely detailed. See them on display at all three bank locations.

This limited-time offer is now under way. Stop in soon, and start something beautiful.

Limit one free gift per account.
